Acknowledgments

I am immensely grateful to all those who contributed in some way towards the completion of this book especially academic colleagues who contributed chapters despite their tight work schedule. I am also very grateful to Comrade Obasi Igwe who had painstakingly gone through some of the manuscripts, and to Dr. Jonah Onuoha for being a good friend.

There is a popular Nigerian adage that besides every successful man, there is a successful woman. In this regard, I wish to thank my darling wife, Mrs. Chinwe Nwogo Ezeani, a senior librarian in the Nnamdi Azikiwe Library, University of Nigeria, Nsukka, for her immense support which made the publication of this book possible. She single-handedly indexed the book. Special thanks also go to the staff of NAC Computers for typing the manuscripts.

Finally, I wish to thank the almighty God without whom nothing is possible.
